Encounter 1: Unlucky Circumstances (Lucky & Blossom)

Quest/Reward Giver: Lucky

Description: Lucky seems to have a bad day... Let's check on him!

Dialogue:

Blossom - Oh, so good you're here! Lucky's been behaving oddly since morning!

Lucky - Purrin has always called me his lucky charm... But how can I carry my name if I let the Evil Fog ruin Catland?

Choices:

A - You're just having an identity crisis. It's ok for a cat of your age.

Lucky - Maybe, you're right... Thanks, I guess.

B (reward) - Purrin believes in you for a reason! And so does Blossom!

Blossom - S-sure!

Lucky - Oh, if it's really so, then I can conquer the world! Or save one.

Encounter 2: Panic Button (Button)

Quest/Reward Giver: Button

Description: Button is in distress! She can barely speak!

Dialogue:

Button - I was removing the old siding when I saw that MONSTER! Big teeth, long pink tail... And that horrible squeaking sound it made!

Choices:

A (reward) - I'll ask St. Whisker's to take a look, he seems to be a pro mice exterminator.

Button - Thanks! Can you keep my embarrassing fear a secret, please? Here's your reward!

B - I bet it was a little mouse. Aren't cats supposed to chase them?

Button - I... I need to go on a lunch break. I'll ask one of the guys to finish with the siding.

Encounter 3: Fashion Police (Button & Blossom)

Quest/Reward Giver: Blossom

Description: Help Blossom and Button come to an agreement.

Dialogue:

Button - There's nothing wrong with my overalls! I'm a working girl and couldn't care less about your trends!

Blossom - I just want you to try something new! Maybe a nice bow or a brooch?

Choices:

A (reward) - Authenticity is the key. You both look fantastic!

Blossom - You're right. Sorry for being so pushy, Button! Your overalls are actually cute.

B - Blossom's right, Button. You should be open to new ideas!

Button - I'll think about it once I'm done with building. Which will never happen!

Encounter 4: Am I A Joke? (Robin)

Quest/Reward Giver: Robin

Description: Robin is making a worrying number of self-deprecating jokes.

Dialogue:

Robin - You know, I've been thinking... How can I face a problem when the problem is my face?

Choices:

A - You look gorgeous, Robin! We all have bad days sometimes.

Robin - Jeez... I'm okay! No one can take a joke these days!

B (reward) - By looking in the mirror?

Robin - Finally! A fellow comedian! I was just testing a few standup jokes, but no one seemed to get them.

Encounter 5: Love Triangulation (Robin & Lucky)

Quest/Reward Giver: Lucky

Description: Lucky wasn't quite happy to discover that Robin laid his eyes on Blossom.

Dialogue:

Lucky - You know that I've had a crush on Blossom since we were kittens!

Robin - And she doesn't seem to care! Why not give your best friend a chance?

Choices:

A - You shouldn't fight over a girl. Make her choose!

Lucky - That's silly! You don't need to choose if it's true love!

Robin - I might actually agree with him here.

B (reward) - She knows both of you for years. If she liked one of you, you'd know.

Robin - Yeah, I think she only sees me as a friend.

Lucky - I think so too! Because she clearly likes me!

Robin - He has issues...
